

BY-LAW # B-2015-89
TIMMINS POLICE SERVICES BOARD

Paid Duty Assignments

Being a By-Law to amend By-law B-2006-60, schedule of fees, for the administration of paid duty assignments and remuneration of members of the Timmins Police Service for performing paid duty assignments.

Whereas the Timmins Police Services Board is responsible for the provision of adequate and effective police services, and that the members of the police service, through the Chief of Police, are subject to the government of the Board and shall obey its lawful direction; and

Whereas the Police Services Act permits members of a police force to perform, in a private capacity, services that have been arranged through the police force; and

Whereas the Timmins Police Services Board recognizes the need to establish a schedule of fees to provide adequate service and allow for cost recovery.

Now therefore be it resolved that the Timmins Police Services Board enacts the following:

That the fees applicable for the Timmins Police Service for paid duty assignments shall be as set out in Schedule "A" of this By-Law.

That this By-Law come into force and effect on the date of passage.

Read a first, second and third time and finally passed this 17th day of December, 2015.
