BOARD POLICY

It is the policy of the Timmins Police Services Board with respect to communicable diseases that the Chief of Police will:

1. Develop and maintain procedures that are consistent with the most recent edition of the Ministry of Health and Long-Term Care's *Preventing and Assessing Occupational Exposures to Selected Communicable Diseases – An Information Manual for Designated Officers;*

2. Designate and train one or more members as a Communicable Disease Coordinator(s);

3. Ensure that each Communicable Disease Coordinator is provided with a copy of the most recent edition of the Ministry of Health and Long-Term Care's *Preventing and Assessing Occupational Exposures to Selected Communicable Diseases – An Information Manual for Designated Officers;* and

4. Work, where possible with the local medical officer of health, to develop a post-exposure plan that addresses roles and responsibilities, reporting protocols, medical evaluation, intervention, confidentiality, access to treatments, and follow-up support for workers who have suffered a high-risk exposure to a communicable disease.

Dated this 29th day of October, 2026.
