Reporting Requirement	Chief to submit report within 120 days post an active attacker incident – subject to SIU involvement. If unable to complete report Chief to update the Board every 30 days. The board will post the report(s) on the internet.

BOARD POLICY

1. As prescribed in Ontario Regulation 393/23 the Timmins Police Service Board shall establish policy(ies) consistent with the Regulation, the *Community Safety and Policing Act* and any other applicable legislation.

2. It is the policy of the Timmins Police Service Board with respect to active attacker incidents that the Chief of Police shall establish procedures consistent with the Provincial Plan.

3. The Chief of Police shall establish procedures on responses to a chemical, biological, radiological, nuclear or explosive incident in accordance with *the Community Safety and Policing Act, 2019,* Regulation 392/23, including; providing assistance to victims and witnesses, and referrals that are appropriate in the circumstances to emergency services, health care professionals, victim support agencies and other appropriate governmental, non-governmental or community organizations.

4. Where an extreme incident occurs within the jurisdiction of the Timmins Police Service, the Chief of Police shall ensure that all the responsibilities as set out in the Provincial Plan are fulfilled, as the circumstances require, in addition to satisfying any other operational priorities that may exist.

5. The Chief of Police shall ensure that members of the police service respond to extreme incidents in a manner consistent with the Extreme Incident Response Plan.

6. If the Chief of Police is of the opinion that an extreme incident is an emergency, they may request the Commissioner of the Ontario Provincial Police or chief of another police service to provide assistance.

7. If the Board is of the opinion that external assistance is necessary during an extreme incident, the Board may request the Ontario Provincial Police's or another police service's assistance by resolution.

8. The Chief of Police or designate shall, following an extreme incident, prepare a report for the Board reviewing and evaluating the Service's response to the incident. The report must include:

    a. General information regarding the incident, including the nature of the include, the date, time and location of the incident, the environment in which the incident occurred and the details on the response to the incident;
    b. The type of personnel from the Service and any other agencies involved in responding to the incident and their role in the response;
    c. An analysis of the outcome of the incident including what worked well and recommendations for improvements, including matters to be addressed through changes to procedures and/or training and
    d. As applicable, the impact of the extreme incident and the Service's response to the extreme incident as it related to:
        i. Victims
        ii. The Community
        iii. The Service and other first responder agencies; and
        iv. Individual members of the Service

9. If the extreme incident involves the members of another police service, the Chief of Police shall prepare the above report, in consultation with the Chiefs of Police of the other involved services.

10. The Chief of Police will endeavour to ensure that the report is prepared within 120 days after:
    a. The day of the incident, if there is no Special Investigations Unit investigation into the incident; or
    b. If there is a Special Investigations Unit investigation into the incident, the day on which public notice in respect of the incident is given under section 33 of the Special Investigations Unit Act, 2019, or a report is published in respect of the incident under Section 34 of the Act.

11. If the Chief of Police is unable to complete the report within the timeframe above, the Chief of Police shall notify the Board of the status of the report every 30 days, until the report is complete.

12. The Chief of Police will provide the report to the Board within 30 days on which it is approved by the Chief of Police.

13. The Board will publish the report on the internet, subject to the following:
    a. The Board will not make any information from the report available to the public without consulting with the Chief of Police regarding:
        i. Whether any information from the report should not be disclosed; and
        ii. Whether any information could be redacted if access to the report were requested under the Ontario Freedom of information and Protection of Policy Act *(FIPPA)* and the Ontario Municipal Freedom of Information and Protection of Privacy Act *(MFIPPA)*.
    b. The Board will not redact any information in the report that would be required to be disclosed in response to a request for access under *FIPPA* or *MFIPPA*.

Dated this 29th day of October, 2026.
